

PERCUSSION/JAZZ EXTRAVAGANZA

TUESDAY, MARCH 29th, 2011

ITINERARY

- 5:00 PM** (or earlier if possible) ALL Percussion, Jazz, Steel Band students arrive at Band Room
- Move ALL equipment (Steel Drums, Percussion equipment, Drum set, Amps, Chairs and Stands)
 - Move into theater to help clean stage floor and surrounding space
 - Move ALL Steel Drums, Percussion and Jazz equipment into theater quickly and efficiently
 - Jazz Band equipment should be moved in **first** and be put on the stage
 - Looking at theater stage from audience seats: set up Jazz set on the far **left before** Percussion equipment and Steel Band on **right**- **This is a CHANGE from previous years!**
 - Set up Jazz Ensemble on the **left**, with jazz fronts angled in toward the center of the seats
- 5:30 PM** **Jazz Ensemble** sound check begins
- ALL Steel Drum Band Members need to be setting up all drums and stands quickly and quietly while the jazz band checks sound levels! Store empty cases in hallway!
 - Percussion Ensemble members double check all equipment needed is present.
- 6:00 PM** **1st Period Percussion** sound check begins
- Steel Drum set up should be compact and on the right side of the stage against the wall
- 6:15 PM** **3rd Period Percussion** sound check begins
- Move quickly between sound checks...*MOVE FASTER!*
- 6:30 PM** **Steel Band** is in place, sound check begins
- ALL students prepare stage for final concert performance!
 - All Percussion Equipment moved against **RIGHT** wall of stage and backstage
 - Jazz Band set on far **LEFT** should be organized neatly
- 7:00 PM** **Percussion/Jazz Extravaganza Performance**
