DIRECTORS REPORT:

Bill Kite reported: We are off to a great start this year. There will be a live rhythm jazz section Thursday morning. There will also be two Jazz bands this year at zero hour. This class is an advanced elective. Mr. Kite expressed he blew the call last Friday and said he was worried about the students transportation home in the event of a rain out. Plus, the thousands of dollars in repairs of the new equipment and having to duct tape the old equipment if it got wet. He said, the school and the football team understood. The Marching Band will perform Friday September 7th for HomeComing. Our current budget for the year is \$191, 000.00 and we are currently on budget with repairs at \$5,000.00. Fayette county has doubled the transportation fee this year so, it will sometimes be less expensive to charter buses from Louisville to take the band to competitions. Thank you to everyone who has helped out. Band marchers will be expected at football games, all band members at play offs and any band student at basketball games. Looking forward to a great year.

Jeff Bayerle reported: All hands on deck for stadium seating will be needed and all students should be on a bingo team. Bingo is a great bonding experience for the students. Ashley Critchley will be sending out emails about how much each student owes in band fees for the 2018-2019 school year. Thank you to everyone.
